

Inspired to Take Action? Here's How!

EFM and its partners are ready to help you take action on energy resilience and climate change.

Environmental Forum of Marin (EFM)

Action: Take the Master Class and learn to protect the planet.

www.marinefm.org

kim@marinefm.org

Marin Conservation League (MCL)

Action: Work on energy policy: Climate Action Working Group

www.marinconservationleague.org

mcl@marinconservationleague.org

350Marin

Action: Advocate for more local, renewable energy and microgrids for resilience.

www.350marin.org

ken@350bayarea.org

Sierra Club Marin

Action: Launch a Mayors for 100% Clean Energy Campaign

<https://www.sierraclub.org/san-francisco-bay/marin>

scmaringroup@gmail.com

Drive Clean Marin

Action: Switch to an EV, slash your carbon footprint!

www.drivecleanmarin.org

aosborn@cooltheearth.org

County of Marin Sustainability Team

Action: Explore rebates and resources for efficiency & electrification

<https://www.marinsustainability.org>

energy@marincounty.org
